

StarMetro Southside Transit Center

Transforming Transportation

★ Anticipated completion 2025

The Southside Transit Center (STC) will be located at the intersection of Orange Avenue and Meridian Street.

The STC will increase transportation equity and access in the Southside and improve network efficiency throughout Tallahassee!

CONSIDERATIONS:

- ★ Adding new routes to connect Southside neighborhoods and the STC.
- ★ Adjusting some routes and services to connect to the STC.
- ★ Adjusting some routes for direct connectivity by reducing the need to go to C.K. Steele Plaza.
- ★ Updating nighttime and Sunday service.

Join us to get info and give input on potential route redesigns at:

Serving the Southside
StarMetro pop-up breakfast, bus hop and route information!

Event Details:

SOUTHSIDE SHOPPING PLAZA
2529 South Adams Street
Saturday, April 13
9–11 a.m.

We'll be serving breakfast, raffling prizes, and sharing ideas for bus service in the Southside.

You can also find us at
